DIGITAL TRAINING WARRIOR

OVERVIEW

Digital Training Warrior: Virtual Train the Trainer is a 4-day immersive journey designed to transform trainers into confident, creative, and tech-savvy digital facilitators. This highly practical program equips participants with the skills to maximize engagement, adapt adult learning principles to virtual spaces, and leverage powerful tools like Zoom, MS Teams, Kahoot, Nearpod, Pear Deck, and AI applications such as ChatGPT. Through energizers, hands-on exercises, and teach-back sessions, trainers will learn not just the “how” of digital platforms, but also the “why” of effective online delivery. By the end of the program, every participant will be ready to design and deliver impactful, interactive, and future-ready virtual programs that truly connect with learners.
